The Other Woman's Affair:

Gambling Your Heart & Reclaiming Your Life When Your Partner is Married

- Are you ENCOURAGING affairs or is this more of a “CAUTION” against affairs?
- How did you find women willing to be open to talk about this?
- What type of women get into these relationships? We think of Ashley Madison and Glenn Close from Fatal Attraction?
- They love this person ... but they are married, do they have any real chance of this working?
- Have you seen MEN in this situation as the ... “Other Man?”
- How can they ever trust their partner if the relationship if it started an affair?
- If your daughter was in love with a married person would you tell her to hang in and see?
- Would YOU want to date any of the women you interviewed for this book?
- What surprised you MOST while making this book?
- What wisdom do you have for these women other than just waiting to see?
